Saturday June 4, 2022, 7-10pm

Angels Gate Cultural Center

3601 South Gaffey Street, San Pedro, California 90731

soundpedro is a season of experimental sound art events, presented annually, that investigates the way we perceive and experience sound. Many works are multi-sensory, addressing sound and aural perception in combination with other senses. It is produced by the Long Beach artist group FLOOD and hosted by Angels Gate Cultural Center. **soundpedro** is not a music event.
